Why do we need your consent?

Photographs and video images constitute 'personal data' and the processing of such data is subject to the requirements of the UK General Data Protection Regulations (GDPR). To comply with these regulations we request consent on an annual basis, so if you have provided this for a previous year, please can you re-complete this form for the current school year.

Without your consent, Arden Primary will not use images or videos of your child. Similarly, if there are only certain conditions under which you would like images or videos of your child to be used, the school will abide by the conditions you outline in this form.

Only images of children in suitable dress will be recorded and shared. Please note staff are not permitted to take photographs or videos on their personal equipment.

What will we be using images/videos for?

We use images and videos of pupils for a number of reasons which include; school displays to celebrate school life and pupils achievements, to promote the school on social media, the school website, and for other publicity purposes in printed publications, such as newspapers.

Where the school uses images of individual pupils, the name of the pupil will not be disclosed. Where an individual pupil is named in a written publication, a photograph of the pupil will not be used to accompany the text. If, for example, a pupil has won an award and their parent would like their name to be published alongside their image, separate consent will be obtained prior to this.

Please note staff are not permitted to take photographs or videos on their personal equipment.
